Union County, Illinois**

**2017 Annual Report**

**Tyler R. Edmonds,  
State's Attorney**

## **A Letter from the State's Attorney**

It continues to be my honor and privilege to serve as your State's Attorney and I am again pleased to present our Annual Report for your review. Publication of the State's Attorney's Annual Report is an important means to promote transparency and accountability while also updating elected officials, law enforcement and social service agencies, and the citizens of Union County on efforts of the State's Attorney's Office during the past year.

This Annual Report provides information regarding the structure, staffing, funding and expenditures of the State's Attorney's Office as well as a breakdown of cases filed, fines and restitution to crime victims.

The services provided by the State's Attorney's Office are only possible because of a dedicated staff and the efforts of law enforcement and other agencies such as the Department of Children and Family Services and the Child Advocacy Center. I hope this Annual Report increases public awareness of the hard work of these individuals while also providing important information regarding the efforts of this office in 2017.

Sincerely,

Tyler R. Edmonds  
Union County State's Attorney
